Kitsap County Superior Court
614 Division Street
Port Orchard, WA 98366

Dear Judge Roof:

This is in regard to Mr. & Mrs. William Sesko's continuing saga with the City of Bremerton in an effort to keep Bremerton clean. I too am for beautification, but I understand that the Sesko's usage of their properties is in accordance to the zoning permit. What are considered junks are the equipments and materials Mr. Sesko uses for his inventions.

Please give Mr. Sesko a chance to continue his creativity which has and will ultimately be to our benefit. One of his inventions is an emergency system that enables our submarines to come up from the depths, under high pressure, to the surface fast.

I hope that this will merit your consideration.

Sincerely,

AGNES S. MANGIO
